General Rules of Use

- The football pitch may generally only be used in dry weather conditions.
- Instructions from the groundskeeper must be followed at all times.
- The football facility must be left clean.
- The changing rooms must be locked.
- When leaving the pitch, the portable goals must always be placed against the fence (see image).
- Training exercises that may damage the grass must be carried out on the adjacent field.
- Please note that no balls are provided at the football pitch. These can be borrowed from reception or brought by yourself.

Training Sessions

- In principle, up to 2 training sessions per day are permitted, with a maximum of 2 hours per session.
 - To avoid excessive wear of the grass, please use the entire pitch and vary the areas.
